

MAY 2026 PRAYER FOCUS

SAFETY FOR YOUNG PEOPLE AND SCHOOLS

Our young people face many challenges. There are many who don't know the Lord and have no one to intercede for them. Let's be those people and include them in our personal prayer time.

Please allow Holy Spirit to minister to you for young people during the month of May and throughout the summer months.

The scriptures admonish us to pray for one another. **We as believers desire to do what God [desires.](#)** He desires that all come to repentance and the knowledge of the truth; so pray for salvation which encompasses safety.

So let's unify and intensify (in prayer) and come with confident expectation that we will see the manifestation of our prayers.

Also pray for parents to know how to parent , that the Lord will send someone to mentor them.

Educators are seeking prayer for safety for everyone and all planned yearly (school) goals and objectives to be attained.
